

# ExCeLL Christian Ministry Practicum Worksheet

Name: \_\_\_\_\_

Semester:     Fall            Spring            Summer            Year: \_\_\_\_\_

*This worksheet is intended to assist in tracking each student's CMP hours, as well as providing examples for the type of tasks that may be assigned. It does not have to be utilized or submitted to the TBC ExCeLL Office. It is simply a recordkeeping aid for the instructor/pastor, if desired. At semester's end, CMP hours should still be properly recorded in the "Ministry Participation & Grade Report," as that is the form required for the ExCeLL Office recordkeeping.*
